GROUP WALES

QUALITY CLEANING SERVICES

“Cleaning that **benefits,**
promotes and **sustains** the
local community”

Thrive Group Wales is a social enterprise that delivers high quality commercial cleaning services to businesses and organisations across Wales.

All of our staff are **DBS checked** and **fully trained** to provide a professional service; as a local business, we believe in building strong relationships with all of our clients

All of our profits are distributed to Thrive Women's Aid. Thrive's aim is to support women, children and families who are impacted by domestic abuse.

COMMERCIAL CLEANING SERVICES

Regular/Deep/Sparkle Clean

The Regular cleans are designed to keep your workspace clean and fresh on a regular basis, including wiping down all contact points and surface areas. All of the floors will be hoovered and mopped throughout, and we are able to tailor this clean to your needs and concentrate on specific areas that you require within your working environment.

Our Deep clean is a more thorough clean which includes the inside of cupboards and drawers as well as tackling those hard to reach areas that often get overlooked.

The Sparkle clean is a concentrated clean that gives attention to detail to specific areas, this type of clean provides the wow factor required before a building is handed over to your end user.

thrive
GROUP WALES

In 2023, we branched out to cleaning **Air B&B's** and **holiday homes/caravans** in the Swansea and Pembrokeshire area.

We supply all cleaning materials and products for our cleaning jobs. For more information on these types of cleans, you can contact Anita on **07983 686424**

WHAT DO OUR CLIENTS SAY?

“

We use Thrive Group Wales to do weekly cleans at some of our offices, and short notice void cleans in some of our accommodation units. Our experience has been positive, the staff are friendly, efficient and always happy to help.

- Thrive Cleaning Client

”

“

Kier is delighted to have Thrive Group Wales as one of our supply chains partners as we believe that strong relationships with our supply chain partners are essential to the successful delivery of the projects we build for our customers.

Kier ensures that all offices and site offices are kept to a very high standard of cleanliness and Thrive have continued to deliver effortlessly since we first partnered in 2017.

Kier chose Thrive as it guarantees that we are supporting the local employment market, offering support to local, real people, who over the years have become part of the Kier family, great people, great work ethic who are now friends who are thriving in their roles.

”

“

Anita and her team have been brilliant, from the first communication to the completion of the job, our buyers are so pleased with the whole process
